

... and we don't know how to keep these things from happening in the future.

What do you think would help you get closer to each other as a family?

Son, we spoke to Mr. Aston
and we realized that we shall
spend more time together,
just the three of us. We'll
go on a family trip next week.

James, you are
not on mute!

MOMMY GAVE ME A
GOODNIGHT KISS

AND TUCKED ME IN

James, open up, please!
Is everything alright?

I don't have time for this.

Oh, come on! Toughen up.

Oh dear God! This is horrible! I didn't even know...

Dear parents,
Bullying at our children's school is an issue.
Let's come together, to see what we can do about it, as parents.

VRRRR

RING!

I had to move
schools because
of mean
classmates...

I also suffer
because of
bullying...

I lost my sister
to suicide. She
couldn't take
the bullying
anymore.

I need a wheelchair to
move around. One day,
my bullies unscrewed
the wheels and I fell...

I need to clear my head,
I'll go for a walk.

Mr. Aston.
So good to see you!

You have probably heard about all the memes with my face on them. I received so many messages from other students being bullied at school and I want to do something about it. Maybe creating an anonymous chat for everyone to exchange experiences?

SUPERMARKET

This sounds like
a great idea!

I can absolutely relate to the stories shared here. Sometimes I don't even want to get out of bed in the morning and get ready for school out of fear of being bullied another time.
